Official Universal Winsheet Instructions

Second Page of Winsheet Form

Section A: This section requires pertinent information on the dog and owner. Please complete this section in full on every win sheet you submit.

Section B: When entering a dog show you will have chosen a “class” for your dog to be shown in. Please check the appropriate class from this list.

Section C: If your dog currently holds any Championships (prior to this show) please indicate the organizations the Championships are held under.

Section D: Enter the number of male dogs (Class and Champion) and the number of female dogs (Class and Champion) and include your own dog in the count. If you are not sure how many Class or Champion dogs are competing, you may ask a show official AFTER the show, or seek another Shiloh Shepherd exhibitor who may have these statistics.

**FOR IABCA SHOWS ONLY: Since IABCA has a very different format from most show organizations, you may ask the ring steward, before the Shilohs enter the ring, to have the judge award a WD, WB, BOW, and BOS (to be counted towards BREED championships given out by Shiloh registries and clubs), in addition to the BOB, which is the only title IABCA awards. This may be done in a variety of ways as determined by the judge and may include Shilohs 6 months of age and older. In order to achieve a BREED championship, some Shilohs which have obtained IABCA championships may need to show in class in order to obtain additional points for their BREED championship. When conducting shows in this manner, fill out Section D of the winsheet by listing the number of Class Dogs and Bitches by counting those who have NOT completed BREED championships, and the number of Champion Dogs and Bitches by counting those who HAVE completed BREED championships (not IABCA championships).*

Section E: You will have been given an Arm Band to wear when exhibiting your dog. Please enter the number indicated on the Arm Band.

Section F: Checkmark each and every award your dog won in this show. Don't forget, this Winsheet is for “one show only” and additional Winsheets must be completed for wins at each additional show. Do NOT check everything your dog won over the course of many shows on one single Winsheet. As the IABCA shows are conducted much differently than most other show organizations, a separate section specifically for IABCA is indicated on this Winsheet. Please leave this section blank unless you are competing in an IABCA show.

Section G: Every dog show is given a name, e.g. Cherry Blossom Classic, Sportsmen's Show, Houston Sieger, Lums Pond Classic, etc. Please complete the name of this show, the location, date and all other required information. Please indicate if this show was a one day or two day event, and checkmark specifically which show this Winsheet pertains to. For example, the two shows on Saturday would be the 1st and 2nd and the two shows on Sunday would be the 3rd and 4th . Only check the show number that your dog won in. Choose the Show Organization conducting this specific show.

For Winsheets to be considered valid and authenticated, a signature by either the Show Chairman or the Judge who awarded your dog is mandatory. Please PRINT the names of the Show Chairman and Judge for ease of reading.

Section H: Here you may enter any comments, concerns or questions you may have pertaining to either the show or the information you are supplying on your Winsheet. Please be brief.

SPECIAL NOTE: Be sure to review the most current point tabulation rules annually. Specifically:

Section II.D.2.(f) “All GV and NS candidates must be a finished ISSDC Champion of Record by December 31st of the point year to be eligible for these awards.”

Thank you.
